

If you are an international buyer, use the Contact Us link, and tell us what videos or products you want to order in the Message section of the form. We'll then create an invoice through PayPal and will email it to you for payment. You don't need a PayPal account in order to pay the invoice; you can pay using any major credit card. Your order will include a 6.5% conversion rate to U.S.D. which will automatically be added to your invoice/order.

If your product needs to be shipped (like DVDs), shipping will be calculated based on the country you reside (and it is expensive!) Please use the [Contact Us](#) form on our website to communicate with us and/or request a shipping estimate prior to ordering. We also accept international money orders in U.S. Dollars as a method of payment.
